Dear Friends at Giresi's,

We just had to write and tell you how thrilled we were with Amy's Graduation Party! All of her friends said that "hands down" they had the best food of any of the parties they attended! They loved the hot dog cart and the popcorn machine. Kids from all over the neighborhood were stopping by when they smelled the hot popcorn! We really all had a ball and wanted you to know what a hit you were! We will definitely recommend you to all of our friends. Thank you, Sincerely, Tanya & Paul N.
